

NPD and Gull sites throughout New Zealand

Manned Sites

Manned sites have helpful staff available to provide forecourt service and a convenience store on site.

Unmanned Sites

Unmanned sites include Self Serve sites, Truckstops and Marinestops.

Self Serve sites allow motorists to pay at the pump with Eftpos, NPDcard and in some cases, Mobilcard. 'Self Serve' sites provide value with competitively priced fuel, a spacious forecourt and most provide the convenience of access all hours.

Truckstops are tailored to support the trucking and transport industry offering high flow diesel pumps and 24/7 NPDcard access.

Marinestops provide convenient access to fuel for boats. Some Marinestops can also accommodate land based refuelling for vehicles and trucks.
